

## **CONFERENCE COMMITTEE REPORT 2017**

The Conference Committee is responsible for the planning and implementation of the VCCJA Annual Training Conference. Committee members meet regularly throughout the course of the year to complete tasks associated with development and delivery of the yearly training conference.

The committee utilizes the evaluation data from the conference to guide planning for the following year. Please take the time to complete the conference evaluation form and provide input to your Conference Committee. We welcome suggestions for workshop topics and trainers. If you have attended a useful training, please share that information on your evaluation form.
